Course Overview

The Early Years Foundation Stage (EYFS) Statutory Framework states that early years providers should consider whether paediatric first aiders need to undertake annual refresher training to maintain basic key skills and keep up to date with any changes to paediatric first aid procedures.

The **Qualsafe Level 3 Award in Paediatric First Aid (Annual Refresher) (RQF)** qualification has been specifically designed to allow qualified paediatric first aiders to refresh their knowledge and practise essential paediatric first aid skills every year until requalification training is required.

Successful candidates will leave with a renewed confidence, having refreshed the paediatric first aid skills needed to deal with emergency situations.

What's Covered?

- Assessing an incident
- Managing an unresponsive infant or child
