Be prepared for emergency first aid situations at work

Ideal for individuals who wish to act as an emergency first aider in their workplace. Learners will be equipped with essential skills needed to give safe, prompt and effective first aid in emergency situations.

With our Blended Learning option, you can complete our innovative, online self-study e-Learning before completing the half day trainer-led practical element in the classroom.

Under the Health and Safety (First Aid) Regulations 1981, all employers are required to make arrangements to ensure immediate attention is given to employees if they are injured or taken ill at work.
